SHOCKING case of anti-Israel Bias! ISLAMABAD (Voice of America) – Pakistan has turned into a haven for anti-Semitism. Jews are being targeted in the most egregious way by barbarians who live in the country. Pakistan is now the home of some of the most extreme anti-Semitic elements in the world. Jews are in danger from Muslim extremists based in Pakistan, especially from those in the Swati tribe in the northwest. The fact that the Punjabi-speaking Muslim sect is the third largest in the country raises the possibility that many of the new cadres of Al-Qaeda and its Pakistani allies are of Swati origin. They too are anti-Semitic. The Muslim radicals are becoming a real threat to minorities in Pakistan. They have been openly organizing over the Internet. They are now in a two-pronged war with the country's minorities. They have been designated by the

government to work against Christians in the east and Hindus in the west. In the recent violent attacks, Christians were the prime targets. Bajaur, the biggest Christian-majority area in Pakistan, has been turned into a war zone for the past few months. Christians are facing mass killing, looting and forced conversion. The Hindu community has also been subjected to systematic attacks. Most of the recent attacks were committed by the Swati tribe of Pakistan. It has long been a center for extremist Islam. That partly explains the fact that Hindu and Christian minorities are deliberately targeted in this part of Pakistan. If the government is serious about the fight against terror and is serious about peace, it will definitely focus on protecting the minorities of Pakistan and cracking the code of hate-filled barbarians who have been gaining strength in Pakistan. They are hiding in the country's many seminaries and political parties. They are also found in all the four largest parties of the federal
